WELCOME TO YOUR JOURNEY

What is Astrocartography?

Astrocartography, also known as locational astrology, is a powerful technique that maps your birth chart onto the Earth, revealing how different locations around the world resonate with your unique cosmic blueprint.

About Your Cosmic Blueprint

EdgeCase4_Y2K, as a **Sagittarius rising** born under **Swati** nakshatra with Moon in **Libra**, you possess a unique combination of qualities that shape how you interact with the world.

This report reveals which locations on Earth amplify your natural gifts for **Wealth**, and which places may require extra effort to achieve success.

Currently in your **Saturn Mahadasha**, this is a period that influences which opportunities will be most accessible to you. The cities recommended in this report are especially potent during this planetary period.

Planetary Lines

Lines crossing the map show where each planet was rising, setting, or at its peak during your birth moment. These create corridors of energy unique to you.

Power Zones

Where beneficial planetary lines cross, powerful zones of opportunity emerge. These intersections amplify positive energies for specific life goals.

Vedic Integration

We enhance Western astrocartography with Vedic astrology—your Rashi, Nakshatra, and Lagna—plus Vastu directional principles for deeper insight.

Timing Matters

Your Vimshottari Dasha periods reveal when certain locations become more favorable. The right place at the right time multiplies success.
