

What is Astrocartography?

Astrocartography, also known as locational astrology, is a powerful technique that maps your birth chart onto the Earth, revealing how different locations around the world resonate with your unique cosmic blueprint.

✦ ABOUT YOUR COSMIC BLUEPRINT

Raveen, as a **Scorpio rising** born under **Vishakha nakshatra** with Moon in **Libra**, you possess a unique combination of qualities that shape how you interact with the world.

Currently in your **Mercury Mahadasha**, this planetary period influences which opportunities will be most accessible to you.

Planetary Lines

Lines crossing the map show where each planet was rising, setting, or at its peak during your birth moment.

Power Zones

Where beneficial planetary lines cross, powerful zones of opportunity emerge for specific life goals.

Vedic Integration

We enhance Western astrocartography with Vedic astrology—your Rashi, Nakshatra, and Lagna.

Timing Matters

Your Vimshottari Dasha periods reveal when certain locations become more favorable.
